

**IRONWOOD LADIES GOLF ASSOCIATION –MARCH 2017
NEWLETTER**

Hats off to our Best of the Best winners! Anne Annis wins low gross and Betty Wolfmeyer wins low net.

\$Twelve dollars will buy you a great luncheon on March 2nd, after golf. Your check in the ILGA drawer is your reservation.

March 30th is the date and Ironwood is the place for the annual Swing for Hope golf tournament chaired this year by Jane Huber.

Your minimum donation of \$50 includes golf, lunch and funds for our contribution to The University of Arizona Cancer Center. This organization provides state-of-the-art cancer care, leads new research and is home to brilliant oncologists, diagnostic testing, and the most advanced cancer treatments available. All donations stay in Arizona for research at the University of Arizona Cancer Center in Phoenix and Tucson and provides benefits the entire state. Help ILGA make a difference. Donate and dedicate a ribbon to someone in memory of, or in honor of. It will be displayed at the luncheon following golf.

Last year these ladies were among our league that donated over \$10,000 which took us over \$100,000 since we began this event. Let's just see if we can do better than that this year!
