

Ironwood Ladies Golf Association July 2016 News

As the lazy hazy days arrive, and fewer members are around to play golf, we can take time to reflect on some highlights of the past season.

We just couldn't keep **RAY** out of our **SWING FOR HOPE** group photo in April!

The PICO event played at Ironwood and Cottonwood in April, was won by these four ladies: Skrei Mogck, Rachel Rainville, Joni Hiller and Pat McRoberts, but EVERYONE from the four participating clubs had a wonderful time! The other two clubs are Palo Verde and Oakwood.

Play continues at Oakwood on Tuesdays with the OLGA groups while construction goes on at Ironwood. Aren't we lucky to have this option?

The first Riggs Road Summer League event was June 15th at Palo Verde.

The next game is Wednesday July 13th at Ironwood aka Oakwood, as play continues there while we get a new Ironwood to play in the autumn! Remember, sign up is your \$13 check in the specified drawer at Oakwood. More information is available on the website ironwoodladies.info; which is a treasure trove of ILGA particulars! Visit it often.
