Please go to our website ironwoodladies.info for all flight winners. While you are there check out the Riggs Road Summer League. This league is played three times during the summer at Palo Verde, Ironwood and Sun Lakes. There is a separate sign up sheet posted for each event. And there is no obligation to sign up for all three so you can choose according to your schedule.

ILGA members save the date. The Member Guest Tournament will take place [on November 9, 2017](#). This year's theme is PRETTY IN PINK. Applications will be available on the ILGA web site and at the Ironwood Pro Shop.

See you at our final luncheon on May 4th. Bon voyage to all our snowbirds as they head out to their summer "digs"!
