

## Ironwood Ladies Golf Association News September 2016

Not only is Glo Malberg our club champion for 2015-16, but on August 2nd she had an eagle on Oakwood Lakes course, hole # 3. We salute you, Glo!

Whatever your golf level happens to be, there are milestones that each of us achieves, and is justifiably proud of. Why would we otherwise, continue playing this challenging game? One such milestone was recently achieved by Linda Talley, who shot two birdies in one game. In the heat, it might be added!

Monsoons blow but ILGA members keep golfing. There is one Riggs Road League game left to be played. The date is Wednesday September 14th and Sun Lakes is the place. Tee-off is at 8:30 AM. As with past summer league events, the cost is \$13.00 with lunch available for cash after play is completed. Apologies for the incorrect date reported in the August issue of this newsletter.
