

SWING FOR HOPE

Cancer Research Fundraising Event

Ironwood Ladies Golf Association
Sun Lakes, Arizona

Dear Business Sponsor,

The Ironwood Ladies Golf Association will be hosting our annual charity tournament, Swing for Hope, April 4, 2019 at Ironwood Golf Course. We are proud to benefit a local research facility again this year, the **University of Arizona Cancer Center**. **All funds we raise will go directly to the Cancer Research Center and will be designated for all types of cancer research.**

Last year our club raised over \$10,000.00 to aid in the battle against cancer. With your help, our goal this year is to exceed that amount. We appreciate a donation of \$50 or more to achieve this goal.

It will be our pleasure to display your name in the Ironwood clubhouse at our luncheon, in our event program and in the “Splash” news paper later describing the success of our fundraiser. Our ladies association members are encouraged to patronize our sponsors.

Thank you so much for your past support, new and continued support! We cannot reach the level of success we hope to achieve without your help. We have included a form with payment information and if you choose to recognize an individual in honor of or in memory, we will acknowledge them with the appropriate ribbon color to be displayed in the Ironwood clubhouse through March. Together we will make a difference!

Sincerely,

Mary Jane Coking, ILGA Swing for Hope Chairperson
